Allocation of wheat to roller mills

1274. SHRI HARVENDRA SINGH MANSPAL: Will the Minister of FOOD AND CIVIL SUPPLIES be pleased to state:

(a) whether the Federation of All India Foodgrains Dealers Association has urged the Government to allocate a monthly quota of about 45, 000 tons of wheat to the roller flour mills in Delhi at concessional rates to check its rising prices;

(b) if so, the reaction of Government thereto;

(c) whether Government propose to allocate the desired quota of wheat to roller flour mills in Delhi; and

(d) if so, the details thereof?

THE MINISTER OF FOOD AND CIVIL SUPPLIES (SHRI RAO BIREN-DRA SINGH): (a) Yes, Sir.

(b) to (d) Food Corporation of India has been authorised to sell 54000 tonnes of wheat each in January, February and March @ Rs. 320/-per quintal in Delhi to roller flour mills, Atta Chakkies, bread manufacturers, traders and Government controlled organisations like NCCF, Ken-driya Bhandar, State Civil Supplies Corporation etc.

Calculation of reaention prices for fertilisers

1275. SHRI VIREN J. SHAH: Will the Minister of AGRICULTURE be pleased to state:

(a) whether it is a fact that Govern ment are proposing to impose a ceiling on the cost of fertilizer projects for cal culation of retention prices;

(b) whether it is also a fact that in view of the procedure of calculation of retention price to yield 12 percent return on net worth upto 90 percent capacity and thereafter at a higher rate has resulted in fertiliser projects "gold plating" i. e. either under-rating- the capacity of the project or inflating the project cost to obtain a higher return on net worth;

(c) whether Government have made any study, especially an international comparison of capacities and costs of processing units derated to envisaged Indian operating conditions to detect "gold plating" adopted by Indian companies; and

(d) if not, whether Government are thinking of changing the procedure of calculation of retention prices?
